

## About the UK/Australia Season 2021–22

The UK/Australia Season 2021–22 was a joint initiative by the British Council and the Australian Government's Department of Foreign Affairs and Trade. The Season highlights the breadth of partnership between Australia and the UK and aims to deepen and extend cultural connections. The Season started in September 2021 and concluded in March 2022 in Australia and December 2022 in the UK.

The theme 'Who Are We Now?' reflects on our history, explores our current relationship, and imagines our future together. The Season featured programming for all ages and celebrated the diversity of cultures and languages in both countries. It emphasised Australia's First Nations voices, enabled cultural exchange with Wales, Scotland, England and Northern Ireland, and the diverse societies that have emerged in both Australia and the UK.

Season Director, UK in Australia programme: Helen Salmon
